Good Morning,

EPA Region 10 Administrator Dennis McLerran, EPA Assistant Administrator Michelle DePass (Office of International and Tribal Affairs - where AIEO is now residing), and several others will be traveling along with the Administrator. I am still waiting on the complete list of names, but in addition to the ones mentioned above, the following will be traveling:

Marcia Combes, Anchorage Operations Office Director
Greg Kellogg, Anchorage Operations Office Deputy Director

Patricia McGrath, Region 10 Mining Coordinator
myself and a few others. As soon as I know who for sure is coming I will be sure to let you know.

We are still working on the planning of this visit. If you are interested and would like to join the planning call today you are more than welcome. The call is at 2PM, [REDACTED] code [REDACTED]

The draft itinerary is as follows, the times may change due to the flight schedule which is still being worked out.

1030 or 11AM (depending on flight times) - start Environmental Successes/Program work discussions
Tour Boat Harbor & Kanakanak (spelling?) Beach to look at the erosion issues & working lunch in here somewhere

1PM-330PM - Listening Session on Proposed Pebble Mine

Depart Dillingham @ 4PM

We are still working on setting the details. As soon as it is final I will be sure to send it along to you.

The goal of this visit is to build trust, establish partnerships and to hear first hand concerns/issues related to the Proposed Pebble Mine.

I am very excited about this visit and hope that you will be able to join us in Dillingham.

Sincerely,
Tami
